Dear parents,

Learning

Working Hand in Hand

Thank you to all parents and carers who joined us for Parents' Evening last week. It was wonderful to speak with so many of you about your child's progress and celebrate everything they have achieved so far. The partnership between home and school is incredibly important, and we are grateful for your continued support. Although we do not set homework (apart from in Year 6), we do ask that every child reads daily at home, practises their spellings and keeps up with their times tables. These small, regular habits make a huge difference to a child's confidence and long-term learning, and we truly appreciate the time you give to this at home.

Design, Create, Innovate!

Willow Class embraced their DT dress-up day in style, arriving as World War II evacuees and diving into a full day of hands-on learning. The children designed, built and tested their own air-raid shelters, showing fantastic creativity, teamwork and resilience. DT is such a valuable subject because it allows children to explore ideas practically—designing, making, testing and evaluating in real time. Willow Class certainly demonstrated all of this brilliantly!

Caring

Odd Socks, One Community

A huge thank you to everyone who joined us in celebrating World Down Syndrome Day last week. It was heart-warming to see so many children and adults proudly wearing their odd socks to promote awareness and inclusion. We are especially grateful to Tess Warnes for leading a powerful and informative assembly, sharing her knowledge and helping our children understand why this day matters so much.

Achieving

Team Spirit on the Pitch

Well done to our Year 3/4 and Year 5/6 footballers who represented the school at this week's tournaments. Their teamwork, determination and sportsmanship were truly impressive. They played with courage and supported one another brilliantly throughout. A thank you also to the parents who volunteered their time to referee the matches, we're really grateful for your support. Our school continues to shine both inside and outside the classroom, and we couldn't be prouder of the way our children show our values wherever they go.

Rocking the School Hall

Congratulations to our Rocksteady musicians for their fantastic performance last week. The children played with confidence and enthusiasm, showcasing how powerful the arts can be for developing creativity and wellbeing. Music and performance offer children wonderful opportunities to express themselves, build resilience and grow in confidence. Whether it's the arts, sports or academic learning, we are incredibly proud of the rich variety of experiences our children enjoy here at school.

Together

Egg-cellent Adventures

A huge thank you to the FSS for yet another brilliant term of fundraising and events. This week the children took part in an exciting Easter egg hunt organised by the FSS, and it was enjoyed by all! We are very grateful for everything the FSS does to support our school community.

Ending the Term Together

Although this has been a short term, it has certainly been a busy one! We ended the afternoon together at the Church for our Easter Service—a lovely opportunity to reflect, sing and come together as a community. Thank you to all teachers and staff for their continued hard work, and to parents, carers and the wider community for your ongoing support.

We wish you all a peaceful and happy Easter break, and we look forward to welcoming you back on 14th April.

Mr Towers
