SEND Annual Information Report

July 2026

At our school, we believe in the power of community and inclusivity, encapsulated in our vision: Learning, caring & Achieving Together. This report highlights our dedicated efforts over the past year to support children with special educational needs. By fostering an environment where every child feels valued and supported, we aim to ensure that all children can thrive academically, socially, and emotionally. Our collaborative approach, involving children, parents, and staff, has been instrumental in creating a nurturing space where every child can reach their full potential.

Whole School Approach to Teaching and Learning

- High Quality Teaching and Learning – All teachers are responsible for the learning and progress of every child in their class, including those with SEND.
- An inclusive, differentiated and personalised approach to enable all learners, including those with SEND, to engage with all aspects of school life.
- Refer to Teaching and Learning Policy

Our Graduated Response for Learners:

- Continual monitoring of the quality of teaching
- Identifying and tracking the progress of children/young people that require support to catch up by using the Wiltshire Graduated Response to SEND document (WGRS) Pupil Progress Meetings, IEPs
- Termly meetings for families
- Identification of children/young people requiring SEND Support and initiation of “assess, plan, do, review” cycle
- Consideration of application for Education, Health and Care Plan
- All children/young people identified as requiring SEND Support, or with an Education, Health and Care Plan are on our Record of Need

How we identify children/young people that need additional or different provision:

- Class teacher refers to SENCO if: a child is displaying slow progress over time, despite

quality first teaching; adaptations to learning having already been made; child displays signs of difficulties that prevent them from making academic or personal progress

- Ongoing curriculum assessments
- Tracking progress using data
- Further assessments by specialists, including those from external agencies

We take a holistic approach by all aspects of a child's development and well-being. Our pastoral support arrangements for supporting the emotional and social development of all children/young people, including those with SEND, is set out in our School Offer. Our measures to prevent bullying can be seen in our Behaviour Policy:

Partnerships with other schools and how we manage transitions:

We have worked with schools in the area in the following ways:

- carrying out transition meetings with secondary school SENDCos
- moderation of work with local cluster schools

This year, no children/young people requiring SEN Support or with an Education, Health and Care Plan joined us from another school.

0 children with EHCPs in 2024/2025 made a successful move a mainstream secondary school. 0 children transitioned to a specialist provision as a place has not yet become available.

We helped children to make the move from the Early Years Foundation Stage to KS1 by using the older children in the school to support them. They work very closely together and this helps with the transition. We also gradually build towards Year 1 throughout the later part of the reception year.

We also support the transition from KS1 to KS2 with 'moving up' sessions in the summer term with the KS2 teacher.

The transition from year 6 to secondary school has been supported through visits to their new settings. Those children we deemed as being vulnerable or with SEND were able to make extra visits. We ran a transition unit of work for those moving to secondary school, ensuring that they were ready for some of the challenges they would face. Parents were included in this process through discussing the move with the SENDCo.

Ongoing development:

We work hard to ensure that any areas of support for our learners that can be improved are identified and that strategies are put in place to make those improvements. We do this through our School Development Plan and our SEND Development/Action Plan.

Our complaints procedure:

Anyone wishing to make a complaint with regard to SEN support and provision should follow our complaints procedure:
